# The Republican.

PLYMOUTH, IND.

Thursday Morning, Dec. 18, 1856. FOR PRESIDENT, IN 1860. JOHN C. FREMONT.

REPUBLICAN STATE CONVENTION, -- The Central State Committee have called a convention of Republicans, to be held at Indinuspolis on the 7th of January next. Each representative district in the State is invited to send three times the number the Legislature. The convention is for the re organization of the party.

The Democrat of last week says tion, the Democrat asserted that Iowa on society. The re enactment of the had gone for 'Buck.' It has neglected, so same law, with one or two slight amendfar, to tell its readers better. Should its ments, would soon be attended with the hap hazard statement in regard to the best of consequences. vote of California prove incorrect, we fear it will be equally remiss.

resenting a rat holding a flag and crawling While partizans clamor humanity bleeds Junto, we might reasonably expect at tions to be present, but were detained at up on the outside of a trap, accompanied at every pore. Let us pause and considby the following chaste and elegant Isn. er what should be done, and if necessa-

citement and Apprehension--Painted White Man, leader.

We clip from the Evansville Journal ling news of an extended servile insurrection in Tennessee, and efforts of the erable excitement caused by the fear of tral Committee. them, in Kentucky, Arkansas, Missouri and Tennessee, all within the past two or an extension of conspiracy hardly less

We had very serious and alarming reports in our city last evening from the Cumberland river in regard to the movements of the blacks, and from all we have heard, the excitement among the people, through the middle district of Tennessee, is far greater and more general than we supposed when we wrote the article in another part of this morning's sheet .-Through what is called the Iron Districi. on the Cumberland and Tennessee rivers, there are from 8 000 to 10 000 slaves employed at the iron works; they are pect to see the moon turn to green cheese. of Court, or as some accounts have it, for there congregated in large numbers, working in the various labors of making charcoal, digging ore, and tending the furnaces, in gaugs, mostly by themselves, with a few whites for general overseers. There are many of these works situated and the guests sat down about 4 o'clock, within a few miles of each other, and in took him up into an exceeding high It was probably the first Thanksgiving sections that have few white inhabi-

All these circumstances give the blacks great facilities to plot and combine for conclusive evidence that such a spiri has been at work in this iron region, and a plan has been set on foot for a general ! rising this Christmas, when they shall have gained the unlimited freedom of roaming and frolicking that is always granted them during the holidays. A gentleman who arrived last evening informs us that at Dover on the Cumber existing in that neighborhood, and that a number of the ring leaders had been discovered and arrested; and that eleven of them had been hung by the excited inhabitants, and that among those arrested was a person who had been in the neigh borhood many months, who had always passed as a negro; but on his arrest was found to be a white man, painted and disquised as a negro.

Our informant says, the people being satisfied that he had been the prime mo ver and instigator of the rebellious designs of the blacks, took him to the woods, and by the unanimous condem Gov. Rounson, in response to a toast nation of those present, he was sentenced to receive nine hundred lashes; and that he expired before the penalty had been fully inflicted. These occurrences had produced general consternation and ter ror, and the women and children were fleeing and being sent off for safety. The men were arming and organizing for de fence, and the negroes were being confined or kept under very vigilant watch We detail these reports as they are related to us on credible authority-hoping the alarm is exaggerated, and the retribution upon those arrested may not have been so awful as stated.

This gifted and generous woman, says

the Chicago Tribune, passed through our city with the goods, on her way to Kensas, lest week. She conferred with the National Committee, as to the best disposition to be made of them, and will go to Kansas well posted as to the best cource to be pursued.

THE NEW STATE BANK CASE .- OR Moore, Valk and Whitney, Americans; Monday the Supreme Court decided the and Hickman, Packer, Williams and case of Gov. Wright against the New of the duty on sugar. This we consider the brimstone into his ink when Camp. | Wells, Democrats-all of whom voted to State Bank. The decision of the Court eject Whitfield in August last-voted to below was affirmed, and the Charter susday to admit him. Mr. Fuller of Penn- tained. Thus the Governor's effort to that has occurred in the price of the nes Davis chuckles with irrepressible glee .- sylvania was absent. Mr. Haven voted make the institution "squat" was rather to eject. Mr. Damrell of Massachusetts, less successful than is memorable atration, has led to more general incon- town. Pierce, on the other hand, looks though quite feeble, was in his sent for tempt to make the Newport Bank perthe first time today, and voted. Mr. form that feat, We do not know the this section, who declare that if they and along the track, three persons being price of sugars. It is an actual fact and Campbell has been raving. On Dixon of New York continued absent, points in the case, or the grounds of the lecision, but we are told that another
